Website: www.prspecialty.com
Email: wuhlenbrock@prspecialty.com
Contact: William J. Uhlenbrock

P & R Specialty, Inc. is a manufacturer of high quality fiberboard spools, plastic spools, and plywood reels for the wire and cable industry. Founded in 1982, the company has become well versed to the needs of various wire manufacturers. Standard sizes packages as well as packages designed to customer specifications are available.

WCISA is a nonprofit corporate membership organization of North American-based suppliers of machinery, materials and accessories used for making all type of wire and cable. WCISA's mission is to promote its member's products and services by providing its members with representation, networking/social opportunities and services at wire and cable trade events and conferences.

For a complete list of WCISA members and their products and services as well as WCISA activities, visit www.wcisa.org.

Sincerely,

Michael J. McNulty,
WCISA Executive Director
