

# What's New @ WCISA®

**News from North American Suppliers of Machinery,  
Accessories and Materials for Making All Types of Wire & Cable**

## WCISA® Awards Scholarship:

The **Wire and Cable Industry Suppliers Association® (WCISA®)**, Akron, OH, USA, recently awarded a scholarship to Pawcatuck, CT, USA-based **Davis-Standard** employee, **Jonathan Ludka**, in the amount of US\$2000. WCISA awards scholarships on a case-by-case basis.

Ludka is working with Davis-Standard Mechanical Engineers part-time while attending **Three Rivers College** in Norwich, CT, USA. He is pursuing a career in the field of engineering.

Ludka commented, "It has been a privilege to learn from the Engineers during my internship and see firsthand what Engineers do daily. As I pursue my future career, I look forward to the challenge of learning through higher education." Davis-Standard is a long-time member of WCISA, and it manufactures complete wire and cable systems for building and communication wire, construction wire, coaxial cable, automotive wire, high-temperature wire and specialty wire applications.

WCISA is a nonprofit corporate membership association with over 90 North American suppliers of machinery, materials and accessories used for making all types of wire and cable. Members are based in or have an established subsidiary in North America. WCISA's mission is to promote its members' products and services by providing its members with representation, networking/social opportunities and services at wire and cable trade events and conferences. WCISA is active, both as an exhibitor and supporter, in wire and cable trade events and conferences throughout the world.
