T&T Marketing is a distributor and compound manufacturer to the wire and cable industry and has been in business for 20 years. T&T Marketing manufactures and sells a line of specialty flame retardant, 125C-rated TPE compounds. In addition, T&T distributes the following products: PVC (Georgia Gulf), polyethylene (Borealis), black and white masterbatches (Modern Dispersions), Santoprene (ExxonMobil), filling & flooding gels (Unigel), fluoropolymers and fluoropolymer colors (AGC Chemicals), Nylon 6 (Firestone Textiles), and reprocessed fluoropolymers (Jeneet). Finally, T&T is a manufacturer's representative for BASF, selling its Elastollan line of TPU products.

WCISA is a nonprofit corporate membership organization of North American-based suppliers of machinery, materials and accessories used for making all type of wire and cable. WCISA's mission is to promote its member's products and services by providing its members with representation, networking/social opportunities and services at wire and cable trade events and conferences.
