RE: New WCISA Members: Kalmark, Varibelt & WCMA

WCISA is pleased to announce three new members, two traditional WCISA Member Companies, Kalmark and Varibelt, and one Honorary WCISA Member, WCMA:

**Kalmark Integrated Systems Ltd.**

214 Victoria Street  
Simcoe, ON  
Canada N3Y 4K2  
Tel: +1 (519) 442-4567  
E-mail: [sales@kalmarkltd.com](mailto:sales@kalmarkltd.com)  
Contact: Louis J. Kalmar

Kalmark Integrated Systems is the industry leader in the manufacturing of rotating equipment for wire and cable production. Equipment can be used to produce electrical wire and cable, steel rope, conduit, flexible pipe and BRE-optics products. With over 35 years of experience, we have a broad understanding of what you need to accomplish your goals in production speed and capacity. Based on North American standards, and our family values, we stand behind the safety and reliability of the equipment we produce. We also offer services such as production consulting, project management, plant relocation, foundation design, detailed manufacturing drawings, installation supervision and alignment by laser as well as after-sales service and spare parts. We offer flexible solutions to meet your cable making demands. This may include custom modifications, upgrading of individual components, factory reconditioned equipment as well as integrating new and existing sections. Kalmark maintains its commitment to Canadian Manufacturing through our latest expansion of a 44,000 square foot building in Simcoe, Ontario. We provide customized solutions to Canadian, USA and International wire and cable makers.

**Varibelt Incorporated**

13216 SW 45th Lane  
Miami FL 33175 USA

Contact: Nazli Ozdemir Serin, Managing Partner

Varibelt Inc is the USA and Canada subsidiary of Mekosan Machinery, which is engaged in designing and construction of wire drawing machinery and tube packaging machinery and engineering of automation systems. Varibelt Inc. controls the sales and activities of Mekosan in North America. Mekosan which was founded in 1997 by engineers highly experienced in steel wire and cable sectors, offers advanced and tailor made solutions not only for steel wire drawing machinery, but also for copper wire drawing machinery and galvanizing lines. With more than 130 employees, 30 engineers and customers located in more than 19 countries around the world, MEKOSAN provides its customers with complete custom-designed drawing machines that allow them to produce top-quality wires with robust machinery. Mekosan also provides timely service and support for its machines in North America through its subsidiary Varibelt Inc.

Contact: Ed Fenton, Executive Director

Wire & Cable Manufacturers' Alliance (WCMA) is a non-profit business association serving the manufacturers of low to high-voltage electrical, electronic and fiber optic wire and cable with an established manufacturing base located in North America. Membership includes producers of signal and current-carrying wire and fiber, producers of bulk cables and wire and cable processors and fabricators. Corporate membership of the above also includes industry suppliers, service providers, affiliated companies and organizations that support the cable manufacturing and processing industry. WCMA produces premier events that bring owners, executives and key managers together for networking, the exchange of information and to promote the wire and cable industry. The Wire & Cable Manufacturers Alliance was established in June 2004, as the successor organization to the Wire & Cable Clubs of America.

WCISA is a nonprofit corporate membership organization of North American suppliers of machinery, materials and accessories used for making all types of wire and cable. Members are based or have an established subsidiary in North America. WCISA's mission is to promote its member's products and services by providing member companies with representation, networking/social opportunities and services at wire and cable trade events and conferences. WCISA is active, both as an exhibitor and supporter, in wire and cable trade events and conferences throughout the world. WCISA also offers three types of scholarships to its member companies. Details and a member list can be found at [www.wcisaonline.org](http://www.wcisaonline.org).
