Web Site: www.polyone.com
Main Contact: David Honeycutt

Total Solutions for wire and cable, PolyOne is a total polymer solutions provider for the wire and cable industry. With the ability to meet diverse global regulatory and product specifications, we draw on a wide range of polymers, colorants and services to find the optimum solutions for your need. Whether your need is for vinyl, color concentrates, contract compounding, crosslinked polyethylene, halogen-free or other specialty compounds, PolyOne has the polymer products and services to meet your requirements.

WCISA® is a nonprofit corporate membership organization of North American-based suppliers of machinery, materials and accessories used for making all type of wire and cable. WCISA's mission is to promote its member's products and services by providing its members with representation, networking/social opportunities and services at wire and cable trade events and conferences.

For a complete list of WCISA members and their products and services as well as WCISA activities, visit www.wcisaonline.org.

Sincerely,

Michael J. McNulty,
WCISA® Executive Director
