[www.dyna-mix.com](http://www.dyna-mix.com)

Custom rubber mixing for the wire & cable and other industries. Your recipes or ours; we offer quick turn around and personal service.

WCISA is a nonprofit corporate membership organization open to North American suppliers of machinery, materials and accessories used for making all types of wire and cable. Members are based or have an established subsidiary in North America. WCISA's mission is to promote its member's products and services by providing member companies with representation, networking/social opportunities and services at wire and cable trade events and conferences. WCISA is active, both as an exhibitor and supporter, in wire and cable trade events and conferences throughout the world. Details and a member list can be found at [www.wcisaonline.org](http://www.wcisaonline.org).
