[www.colorant-chromatics.com](http://www.colorant-chromatics.com), [www.polyone.com](http://www.polyone.com)

Email: [info.usa@colorant-chromatics.com](mailto:info.usa@colorant-chromatics.com)

Contact: Alan Dubin, Business Development Manager, 1-908-832-5429,  
[alan.dubin@polyone.com](mailto:alan.dubin@polyone.com)

Colorant Chromatics is the world's leading specialist in the enhancement of high performance polymers, particularly Fluoropolymers. Colorant Chromatics was founded in Sweden in 1979 and started production of Fluoropolymer concentrates in the owner's barn. Since then, it has opened manufacturing plants in Aland, Finland (1981), in Bethel, CT, USA (1983) and Shanghai, China (2003) and a distribution center in Limburg, Germany (1985). In 2013, the Headquarters were relocated to Eindhoven, The Netherlands. Since December 2011, Colorant Chromatics has been part of PolyOne Corporation, a premier provider of specialized polymer material, services and solutions.

**Amexstra, Inc.**

37 Hillcrest Drive, Alfred, NY 14802 USA

Phone: 1-585-610-6629, Fax: 1-607-565-1225

**Niagara Composites International Inc.**

82 Vaughan Road, Welland, Ontario

L3B 5Y1 Canada

Phone: 1-905-788-4040, Fax: 1-905-788-1991

[www.niagaracomposites.com](http://www.niagaracomposites.com)

Contact: Lindsay Farrell, General Manager, B.A.(Econ)

Email: [lfarrell@niagaracomposites.com](mailto:lfarrell@niagaracomposites.com)

Serving the wire industry since 1980, Niagara Composites stands out as an industry leader and global supplier of leading-edge bow products. Niagara Composites is

committed to innovation and continuous improvement, offering outstanding customer service and competitive prices on premium quality flyer bows to the global wire twisting and bunching industry. Many Niagara Composites' innovations in bow design have had a significant, positive impact on the production of wire and cable.

WCISA is a nonprofit corporate membership organization open to North American suppliers of machinery, materials and accessories used for making all types of wire and cable. Members are based or have an established subsidiary in North America. WCISA's mission is to promote its member's products and services by providing member companies with representation, networking/social opportunities and services at wire and cable trade events and conferences. WCISA is active, both as an exhibitor and supporter, in wire and cable trade events and conferences throughout the world. Details and a member list can be found at [www.wcisaonline.org](http://www.wcisaonline.org).
